A MESSAGE FOR YOU...

As the President and CEO of the Winona Area Chamber of Commerce, it is my great pleasure to introduce this publication, a comprehensive guide to career pathways and opportunities across all industries in our vibrant region. The Winona area has long been a hub of innovation, hard work, and resilience, where individuals, families, and businesses come together to create a dynamic and supportive environment for growth. In this publication, we seek to shine a light on the opportunities available to those seeking to explore, advance, or change careers in the Winona area, helping connect our talented workforce with the growing needs of local industries.

Career pathways are no longer linear, and today's rapidly evolving economy requires adaptable, skilled individuals who are eager to embrace continuous learning. As industries across the region expand and diversify, this guide serves as a roadmap to help navigate the many options available, from traditional trades to emerging technologies. Whether you are a high school student exploring your future opportunities, a college student navigating your education for the future you desire, a seasoned professional looking to transition into a new field, or someone re-entering the workforce, Winona's wide range of industries offers something for everyone.

Our region's strength lies in its diversity. Our economy is built on a foundation of manufacturing, education, healthcare, agriculture, tourism, and a growing array of technology-driven sectors. Each industry plays a crucial role in sustaining our local economy, providing stable jobs, and contributing to the unique culture and community that makes the Winona area such a special place to live and work. Winona is a community defined by its commitment to growth, innovation, and opportunity. As industries evolve and expand, the need for skilled, adaptable professionals will continue to grow. We hope this publication serves as a valuable resource for anyone looking to explore career pathways in our area, offering insight into the many industries that make our area a great place to live and work.

We encourage you to use this guide as a starting point for your journey, and to connect with local employers, educational institutions, and workforce development organizations to further explore the exciting opportunities available right here in the Winona area.

Michael Todd | WNB

"I moved back to Winona in April of 2022, from Denver, Colorado. My return to Winona has been wonderful. The people here are exceptionally friendly and deeply invested in the well-being of our town. My role at WNB Financial has not only allowed me to grow personally but has also offered numerous avenues for professional growth and recognition. The Bank supports my involvement in local volunteer work and serving on local committees. It's been an incredible experience to be empowered by my employer to serve my community."

Jennifer Olson | MINNESOTA STATE COLLEGE SOUTHEAST

“One thing I love about working in higher education is that it isn't just about increasing knowledge, it's also about building relationships. Whether you're a full-time student or someone from a business needing a recertification in a certain industry sector, Southeast strives to meet students where they are and help them achieve educational success throughout their lives – and I love that!”

The first step is realizing you're ready for a step-up.

The next step is Southeast.

Savannah Skalet | WINONA HEALTH

"There are so many things I love about Winona. I'm from a small town, and Winona's small-town feel is one of the things that appeals to me. It's also just beautiful here. I enjoy being outside and walking by the lake. I love the cute shops downtown, and there is so much live music - there is always something fun going on in Winona. As a nurse in Winona Health's Family Birth Center, it's fun to see familiar faces out in the community. It's not uncommon to run into new parents at the grocery store, and of course I love to see how those babies are growing!"
